## H.J. Baker's Tiger University Sponsors Agriculture Webinar on The Basics of Safely Handling Sulphur Fertilizer Products

Agriculture webinar for management personnel, safety personnel and employees and staff  
that work with sulphur fertilizer products.

WESTPORT, CT USA – (February 06, 2013) – Brad Miller, the Supply Chain Manager for H.J. Baker's Tiger-Sul Products (Canada) Co. subsidiary will lead an agriculture webinar on "The Basics of Safely Handling Sulphur Fertilizer Products." Attendees will learn best practices to reduce or eliminate hazards associated with processing or handling mixtures containing sulphur by providing reasonable health and safety protection of employees and property.

Brad Miller has worked in the sulphur industry for 25 years and is a member of the Canadian Society of Safety Engineering. His professional certifications include a Diploma in Occupational Health and Safety and experience as a Certified Health and Safety Auditor in the petroleum industry. He previously was an instructor of the "H2S Alive, Workplace Hazardous Materials Information System," and "Transportation of Dangerous Goods" programs.

Topics will include:

### Safety in the Workplace

- Approved Codes of Practice
- Employer's & Employee's Responsibilities
- Training
- Financial Benefits

### Hazard Information

- Dust Characteristics
- Personal Protective Equipment

### Handling Sulphur Safely

- General Safety Information
- Equipment Design
- Operating Procedures
- Maintenance & Housekeeping

The webinar will be held live February 20<sup>th</sup> at 2:00 pm CST and will last approximately 45 minutes. The live event will include a question and answer session. Participants can register at [www.tigersul.com](http://www.tigersul.com).

H.J. Baker & Bro., Inc. is a name that is synonymous with quality agriculture for more than 160 years. With more than 20 locations throughout the United States, Canada and Mexico, H.J.
